FISCAL ANALYSIS

Assumptions:

Department of Public Health and Human Services

The requirements of this bill will be absorbed within existing Department of Public Health and Human Services resources and the activities of the Child and Family Services Division.

Technical Notes:

1. If a child is removed from the custodial parent and placed with the non-custodial parent, the non-custodial parent may not have the opportunity for input.
2. This bill would be effective on passage and approval but the department would not be able to implement administrative rules (as required by the bill) until many months later.
